For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Drug and alcohol use 92
Table 20: Q10n. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Mental health 97
Table 21: Q10o. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Racial bias and discrimination 102
Table 22: Q10p. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Child abuse 107
Table 23: Q11. In general, would you say your physical health is excellent, very good, good, only fair, or poor? 112
Table 24: Q12. In general, would you say your mental health is excellent, very good, good, only fair, or poor? 117
Table 25: Q13. Would you say you are better off, or worse off financially than you were a year ago, or is your financial situation about the same? 122

Table 26: Q14. Thinking ahead over the next year, how worried are you that you might lose your home because you can't afford the monthly rent or mortgage? 127
Table 27: Q15. How concerned are you that you will be without health insurance coverage over the next year? 131
Table 28: Q16. Thinking ahead over the next year, how worried are you that you might not always be able to afford enough food to feed yourself and your family? 135
Table 29: Q17A. In the last 12 months have you ever… : Had a negative experience with police 139
Table 30: Q17B. In the last 12 months have you ever… : Felt afraid of police 142
Table 31: Q18. Was there ever a time when you or another family member thought you might need mental health services, but did not get them? 145
Table 32: Q19. Was there ever a time when you or another family member thought you might need substance use services, but did not get them? 148
Table 33: Q21a. Compared to White Coloradans, do you think Black Coloradans are more likely or less likely to experience the following items? : Be treated unfairly by police 151
Table 34: Q21b. Compared to White Coloradans, do you think Black Coloradans are more likely or less likely to experience the following items? : Receive poor quality or inadequate healthcare 156
Table 35: Q21c. Compared to White Coloradans, do you think Black Coloradans are more likely or less likely to experience the following items? : Lose their jobs or have a reduction in income during an economic downturn 161
Table 36: Q22a. Compared to White Coloradans, do you think Hispanic Coloradans are more likely or less likely to experience the following items? : Be treated unfairly by police 166
Table 37: Q22b. Compared to White Coloradans, do you think Hispanic Coloradans are more likely or less likely to experience the following items? : Receive poor quality or inadequate healthcare 171
Table 38: Q22c. Compared to White Coloradans, do you think Hispanic Coloradans are more likely or less likely to experience the following items? : Lose their jobs or have a reduction in income during an economic downturn 176
Table 39: Q23a. Compared to White Coloradans, do you think Asian American Coloradans are more likely or less likely to experience the following items? : Be treated unfairly by police 181
Table 40: Q23b. Compared to White Coloradans, do you think Asian American Coloradans are more likely or less likely to experience the following items? : Receive poor quality or inadequate healthcare 186
Table 41: Q23c. Compared to White Coloradans, do you think Asian American Coloradans are more likely or less likely to experience the following items? : Lose their jobs or have a reduction in income during an economic downturn 191
Table 42: Q24. Which of the following comes closest to your personal opinion? It is more important to fully reopen the economy to get people back to work, even if it means that it takes longer to fight the pandemic more lives are lost, OR it is more important to save as many lives as possible by delaying fully reopening the economy, even if it hurts the economy and leads to job losses. 196
Table 43: Q25. If you were diagnosed with or suspected that you had COVID-19 would you be able to quarantine or self-isolate at home for 14 days? 201
Table 44: Q26a. In response to the coronavirus crisis, have you experienced any of the following? : Been laid off 205
Table 45: Q26b. In response to the coronavirus crisis, have you experienced any of the following? : Had work hours cut back or wages reduced 208
Table 46: Q26c. In response to the coronavirus crisis, have you experienced any of the following? : Been required to go to work even though you had health and safety concerns 211
Table 47: Q26d. In response to the coronavirus crisis, have you experienced any of the following? : Been unable to pay for basic necessities like food 214
Table 48: Q26e. In response to the coronavirus crisis, have you experienced any of the following? : Experienced increased mental health strain, such as anxiety, loneliness, or stress 217
Table 49: Q26f. In response to the coronavirus crisis, have you experienced any of the following? : Had trouble caring for aging or disabled family members 220
Table 50: Q26g. In response to the coronavirus crisis, have you experienced any of the following? : Been able to work from home 223
Table 51: Q26h. In response to the coronavirus crisis, have you experienced any of the following? : Been designated an essential worker 226
Table 52: Q27. Which of the following best describes your current employment status? 229
Table 53: Q28. Has your employer done: (ROTATE: too much, the right amount, OR too little) to protect employees from COVID-19? 234
Table 54: Q29. When it comes to Colorado schools during the pandemic, which of the following concerns you more? That children will be kept in online remote learning too long, and will fall behind in their education while also losing opportunities for social and emotional development, OR that children will go back to in-person classroom instruction too soon, and that students, teachers, and staff will be exposed to serious health risks from the coronavirus. 237
Table 55: Q30. In general, how easy or difficult has it been for you to handle childcare responsibilities during the coronavirus pandemic? 242

Table 56: Q31a. Here are some proposals that have been made in response to the coronavirus pandemic. After hearing each one, please tell me if you strongly support it, somewhat support it, somewhat oppose it, or strongly oppose it. : Requiring that all individuals wear a mask in places of business, including retail stores, restaurants, and offices 246

Table 57: Q31b. Here are some proposals that have been made in response to the coronavirus pandemic. After hearing each one, please tell me if you strongly support it, somewhat support it, somewhat oppose it, or strongly oppose it. : Providing free COVID-19 testing 251

Table 58: Q31c. Here are some proposals that have been made in response to the coronavirus pandemic. After hearing each one, please tell me if you strongly support it, somewhat support it, somewhat oppose it, or strongly oppose it. : Providing free COVID-19 medical treatment 256

Table 59: Q31d. Here are some proposals that have been made in response to the coronavirus pandemic. After hearing each one, please tell me if you strongly support it, somewhat support it, somewhat oppose it, or strongly oppose it. : Providing the COVID-19 vaccine for free when it becomes available 261

Table 60: Q32. When a COVID-19 vaccine becomes available, how likely are you to get vaccinated? 266

Table 61: Q33a. Here are some areas where state government could allocate additional funds in an effort to improve the health of Coloradans. After hearing each one, please tell me if you think it an extremely important, very important, somewhat important, or not important area for increased funding. : Ensuring that all Coloradans have access to safe, stable, affordable housing 270

Table 62: Q33b. Here are some areas where state government could allocate additional funds in an effort to improve the health of Coloradans. After hearing each one, please tell me if you think it an extremely important, very important, somewhat important, or not important area for increased funding. : Helping people who are experiencing homelessness or at risk of experiencing homelessness 275

Table 63: Q33c. Here are some areas where state government could allocate additional funds in an effort to improve the health of Coloradans. After hearing each one, please tell me if you think it an extremely important, very important, somewhat important, or not important area for increased funding. : Helping people who are not currently working to find employment 280

Table 64: Q33d. Here are some areas where state government could allocate additional funds in an effort to improve the health of Coloradans. After hearing each one, please tell me if you think it an extremely important, very important, somewhat important, or not important area for increased funding. : Providing mental health or substance use treatment for all who need it 285

Table 65: Q33e. Here are some areas where state government could allocate additional funds in an effort to improve the health of Coloradans. After hearing each one, please tell me if you think it an extremely important, very important, somewhat important, or not important area for increased funding. : Providing preschool for children under age 5 290

Table 66: Q33f. Here are some areas where state government could allocate additional funds in an effort to improve the health of Coloradans. After hearing each one, please tell me if you think it an extremely important, very important, somewhat important, or not important area for increased funding. : Ensuring that no Coloradan goes hungry 295

Table 67: Q33g. Here are some areas where state government could allocate additional funds in an effort to improve the health of Coloradans. After hearing each one, please tell me if you think it an extremely important, very important, somewhat important, or not important area for increased funding. : Ensuring all Colorado communities have places to buy fresh, healthy food 300

Table 68: Q33h. Here are some areas where state government could allocate additional funds in an effort to improve the health of Coloradans. After hearing each one, please tell me if you think it an extremely important, very important, somewhat important, or not important area for increased funding. : Ensuring all Colorado communities have places for exercise and recreation 305

Table 69: Q33i. Here are some areas where state government could allocate additional funds in an effort to improve the health of Coloradans. After hearing each one, please tell me if you think it an extremely important, very important, somewhat important, or not important area for increased funding. : Ensuring all Coloradans have access to healthcare 310

Table 70: Q33j. Here are some areas where state government could allocate additional funds in an effort to improve the health of Coloradans. After hearing each one, please tell me if you think it an extremely important, very important, somewhat important, or not important area for increased funding. : Providing discounted or free access to the COVID-19 vaccine when it becomes available 315

Table 42: Q24. Which of the following comes closest to your personal opinion? It is more important to fully reopen the economy to get people back to work, even if it means that it takes longer to fight the pandemic more lives are lost, OR it is more important to save as many lives as possible by delaying fully reopening the economy, even if it hurts the economy and leads to job losses.
