Table 30:	Q16 TREATED UNFAIRLY .....	139
Table 31:	Q17. Would you say you are better off, or worse off financially than you were a year ago, or is your financial situation about the same? .....	142
Table 32:	Q19. Thinking ahead over the next year, how worried are you that you might lose your home because you can't afford the monthly rent or mortgage?.....	147
Table 33:	Q20. Thinking ahead over the next year, how worried are you that you or someone else in your household will be without health insurance coverage? .....	152
Table 34:	Q21. Thinking ahead over the next year, how worried are you that you might not always be able to afford enough food to feed yourself and your family?.....	157
Table 35:	Q22. Do you plan to be employed over the next year?.....	162
Table 36:	Q19/Q20/Q21/Q22 WORRIES.....	167
Table 37:	Q23a. In the last 12 months, have you experienced any of the following? : Skipped meals because you couldn't afford food .....	170
Table 38:	Q23b. In the last 12 months, have you experienced any of the following? : Postponed medical or dental care.....	173
Table 39:	Q24a. Thinking more specifically about work, in the last 12 months, have you experienced any of the following? : Taken time away from work to care for a child, a family member or yourself.....	176
Table 40:	Q24b. Thinking more specifically about work, in the last 12 months, have you experienced any of the following? : Actively looked for a different job .....	179
Table 41:	Q24c. Thinking more specifically about work, in the last 12 months, have you experienced any of the following? : Been laid off .....	182
Table 42:	Q24d. Thinking more specifically about work, in the last 12 months, have you experienced any of the following? : Received a pay raise or a promotion .....	185
Table 43:	Q24e. Thinking more specifically about work, in the last 12 months, have you experienced any of the following? : Had work hours cut back or wages reduced .....	188
Table 44:	Q24f. Thinking more specifically about work, in the last 12 months, have you experienced any of the following? : Decided to leave your job without having found another job .....	191
Table 45:	Q25a. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Requiring employers to increase pay and benefits for low- and middle-income workers.....	194
Table 46:	Q25b. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Making government investments to stimulate the economy and create better-paying jobs in communities that are struggling.....	198
Table 47:	Q25c. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Changing government regulations to reduce the costs of household expenses like food, health care, and utilities.....	202
Table 48:	Q25d. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Raising taxes on people making over 500,000 dollars per year to cover services like housing, health care, and education.....	206
Table 49:	Q26. Do you own or rent your home? .....	210
Table 50:	Q27a. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Cut back on or go without other needs, like food or health care .....	213
Table 51:	Q27b. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Work multiple jobs, or more than you wanted to.....	216
Table 52:	Q27c. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Lived with a roommate or in a friend or family member's home when you would rather not have .....	219
Table 53:	Q27d. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Stayed in housing that was not right for you because you felt like you could not afford a new place .....	222
Table 54:	Q27e. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Avoided asking your landlord to address problems because you were afraid of having your rent increased or being evicted.....	225

Table 55:	Q28a. Here are some actions that some people say will make housing more affordable for people who live in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Reducing government regulations to speed up the building of new housing .....	228
Table 56:	Q28b. Here are some actions that some people say will make housing more affordable for people who live in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Requiring developers to build housing for people with lower income levels.....	232
Table 57:	Q28c. Here are some actions that some people say will make housing more affordable for people who live in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Ensuring landlords cannot raise rents on current tenants too quickly .....	236
Table 58:	Q29. In the last year, have you experienced mental health strain such as anxiety, depression, loneliness, or stress? .....	240
Table 59:	Q30a. Here are some reasons that some people who live in Colorado have been unable to get access to the mental health care they needed. For each one, please tell me if this was a major challenge, minor challenge, or not a challenge for you or a family member in accessing mental health services. : Unsure how to find a mental health care provider.....	243
Table 60:	Q30b. Here are some reasons that some people who live in Colorado have been unable to get access to the mental health care they needed. For each one, please tell me if this was a major challenge, minor challenge, or not a challenge for you or a family member in accessing mental health services. : The services were too expensive out of pocket.....	247
Table 61:	Q30c. Here are some reasons that some people who live in Colorado have been unable to get access to the mental health care they needed. For each one, please tell me if this was a major challenge, minor challenge, or not a challenge for you or a family member in accessing mental health services. : There were no available appointments, or the wait to get services was too long .....	251
Table 62:	Q30d. Here are some reasons that some people who live in Colorado have been unable to get access to the mental health care they needed. For each one, please tell me if this was a major challenge, minor challenge, or not a challenge for you or a family member in accessing mental health services. : Concerns about privacy or having to disclose too much personal information.....	255
Table 63:	Q30e. Here are some reasons that some people who live in Colorado have been unable to get access to the mental health care they needed. For each one, please tell me if this was a major challenge, minor challenge, or not a challenge for you or a family member in accessing mental health services. : Concerns about being judged by family members, friends, or coworkers.....	259
Table 64:	Q30f. Here are some reasons that some people who live in Colorado have been unable to get access to the mental health care they needed. For each one, please tell me if this was a major challenge, minor challenge, or not a challenge for you or a family member in accessing mental health services. : Not being able to find a mental health care provider who would be understanding of your or your family member's background or experiences.....	263
Table 65:	Q30g. Here are some reasons that some people who live in Colorado have been unable to get access to the mental health care they needed. For each one, please tell me if this was a major challenge, minor challenge, or not a challenge for you or a family member in accessing mental health services. : Not feeling comfortable speaking to a stranger about mental health concerns .....	267
Table 66:	Q31a. Here are some actions that some people say will improve mental health in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health. : Creating more options for people to access mental health care where they live.....	271
Table 67:	Q31b. Here are some actions that some people say will improve mental health in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health. : Requiring health insurance companies to cover more mental health services without requiring copays.....	275
Table 68:	Q31c. Here are some actions that some people say will improve mental health in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health. : Pairing mental health professionals with law enforcement to respond to mental health emergency calls .....	279
Table 69:	Q32. In the past year, would you say the amount of alcohol or drugs you consume has? .....	283
Table 70:	Q33. In the past year, have you ever felt worried about the amount of alcohol or drugs you consume? .....	286
Table 71:	Q34a. Here are some actions that some people say will address increasing rates of alcohol and drug use in Colorado. After I read each one, please tell me how effective you think it will be in decreasing alcohol and drug use. : Investing in programs to prevent people from abusing alcohol and drugs.....	289
Table 72:	Q34b. Here are some actions that some people say will address increasing rates of alcohol and drug use in Colorado. After I read each one, please tell me how effective you think it will be in decreasing alcohol and drug use. : Making treatment for addiction more affordable and more easily available.....	293
Table 73:	Q34c. Here are some actions that some people say will address increasing rates of alcohol and drug use in Colorado. After I read each one, please tell me how effective you think it will be in decreasing alcohol and drug use. : Connecting people trying to recover from addiction with support from other people like them .....	297
Table 74:	Q34d. Here are some actions that some people say will address increasing rates of alcohol and drug use in Colorado. After I read each one, please tell me how effective you think it will be in decreasing alcohol and drug use. : Sending people to treatment, not to jails or prisons, if they've committed a crime related to alcohol or drug use .....	301

Table 48: Q25d. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Raising taxes on people making over 500,000 dollars per year to cover services like housing, health care, and education
