

TABLE OF CONTENTS

Table 1: Q14g. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : The cost of health care.....	3
Table 2: Q14l. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Drug and alcohol use	8
Table 3: Q14m. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Mental health	13
Table 4: Q16d. Please tell me whether you - or someone you know - has been treated unfairly in any of the following situations here in Colorado as a result of their race or ethnicity. : When seeking health care services.....	18
Table 5: Q20. Thinking ahead over the next year, how worried are you that you or someone else in your household will be without health insurance coverage?	21
Table 6: Q23b. In the last 12 months, have you experienced any of the following? : Postponed medical or dental care.....	26
Table 7: Q29. In the last year, have you experienced mental health strain such as anxiety, depression, loneliness, or stress?	29
Table 8: Q30a. Here are some reasons that some people who live in Colorado have been unable to get access to the mental health care they needed. For each one, please tell me if this was a major challenge, minor challenge, or not a challenge for you or a family member in accessing mental health services. : Unsure how to find a mental health care provider.....	32
Table 9: Q30b. Here are some reasons that some people who live in Colorado have been unable to get access to the mental health care they needed. For each one, please tell me if this was a major challenge, minor challenge, or not a challenge for you or a family member in accessing mental health services. : The services were too expensive out of pocket.....	36
Table 10: Q30c. Here are some reasons that some people who live in Colorado have been unable to get access to the mental health care they needed. For each one, please tell me if this was a major challenge, minor challenge, or not a challenge for you or a family member in accessing mental health services. : There were no available appointments, or the wait to get services was too long	40
Table 11: Q30d. Here are some reasons that some people who live in Colorado have been unable to get access to the mental health care they needed. For each one, please tell me if this was a major challenge, minor challenge, or not a challenge for you or a family member in accessing mental health services. : Concerns about privacy or having to disclose too much personal information.....	44
Table 12: Q30e. Here are some reasons that some people who live in Colorado have been unable to get access to the mental health care they needed. For each one, please tell me if this was a major challenge, minor challenge, or not a challenge for you or a family member in accessing mental health services. : Concerns about being judged by family members, friends, or coworkers.....	48
Table 13: Q30f. Here are some reasons that some people who live in Colorado have been unable to get access to the mental health care they needed. For each one, please tell me if this was a major challenge, minor challenge, or not a challenge for you or a family member in accessing mental health services. : Not being able to find a mental health care provider who would be understanding of your or your family member's background or experiences	52
Table 14: Q30g. Here are some reasons that some people who live in Colorado have been unable to get access to the mental health care they needed. For each one, please tell me if this was a major challenge, minor challenge, or not a challenge for you or a family member in accessing mental health services. : Not feeling comfortable speaking to a stranger about mental health concerns	56
Table 15: Q31a. Here are some actions that some people say will improve mental health in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health. : Creating more options for people to access mental health care where they live.....	60
Table 16: Q31b. Here are some actions that some people say will improve mental health in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health. : Requiring health insurance companies to cover more mental health services without requiring copays.....	64
Table 17: Q31c. Here are some actions that some people say will improve mental health in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health. : Pairing mental health professionals with law enforcement to respond to mental health emergency calls	68
Table 18: Q32. In the past year, would you say the amount of alcohol or drugs you consume has?	72
Table 19: Q33. In the past year, have you ever felt worried about the amount of alcohol or drugs you consume?	75
Table 20: Q34a. Here are some actions that some people say will address increasing rates of alcohol and drug use in Colorado. After I read each one, please tell me how effective you think it will be in decreasing alcohol and drug use. : Investing in programs to prevent people from abusing alcohol and drugs.....	78

Table 21:	Q34b. Here are some actions that some people say will address increasing rates of alcohol and drug use in Colorado. After I read each one, please tell me how effective you think it will be in decreasing alcohol and drug use. : Making treatment for addiction more affordable and more easily available.....	82
Table 22:	Q34c. Here are some actions that some people say will address increasing rates of alcohol and drug use in Colorado. After I read each one, please tell me how effective you think it will be in decreasing alcohol and drug use. : Connecting people trying to recover from addiction with support from other people like them	86
Table 23:	Q34d. Here are some actions that some people say will address increasing rates of alcohol and drug use in Colorado. After I read each one, please tell me how effective you think it will be in decreasing alcohol and drug use. : Sending people to treatment, not to jails or prisons, if they've committed a crime related to alcohol or drug use	90
