Table 47: Q22. Thinking ahead over the next year, how worried are you that you might lose your home because you can't afford the monthly rent or mortgage?.....	195
Table 48: Q23. Thinking ahead over the next year, how worried are you that you or someone else in your household will be without health insurance coverage?.....	200
Table 49: Q24. Thinking ahead over the next year, how worried are you that you might not always be able to afford enough food to feed yourself and your family?.....	205

TABLE OF CONTENTS

Table 50: Q25. Do you plan to be employed over the next year?.....	210
Table 51: Q26a. In the last 12 months, have you experienced any of the following? : Skipped meals because you couldn't afford food	215
Table 52: Q26b. In the last 12 months, have you experienced any of the following? : Postponed medical or dental care.....	218
Table 53: Q26c. In the last 12 months, have you experienced any of the following? : Postponed mental health care	221
Table 54: Q26 EVER POSTPONED CARE	224
Table 55: Q28a. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Increase the amount of tax credits available to individuals and families living on low incomes	226
Table 56: Q28b. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Raising taxes on people making over 500,000 dollars per year to cover services like housing, healthcare, and education.....	229
Table 57: Q28c. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Making government investments to stimulate the economy and create better-paying jobs in communities that are struggling	232
Table 58: Q28d. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Making it easier for low-income people to enroll in programs that can help them to afford the costs of household expenses like food and healthcare.....	235
Table 59: Q29. Do you own or rent your home?	238
Table 60: Q30. Who do you rent from?.....	241
Table 61: Q31. Do you aspire to own a home someday?.....	244
Table 62: Q32. Are you worried about whether your children will be able to afford to live in Colorado in the future?.....	247
Table 63: Q33a. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Work multiple jobs, or more than you wanted to.....	250
Table 64: Q33b. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Lived with a roommate or in a friend or family member's home when you would rather not have	253
Table 65: Q33c. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Moved because you couldn't afford your rent or mortgage	256
Table 66: Q33 EVER CUT COSTS.....	259
Table 67: Q34a. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Requiring developers to build housing for people with lower income levels.....	261
Table 68: Q34b. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Ensuring landlords cannot raise rents on current tenants too quickly	264
Table 69: Q34c. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Making it more difficult for landlords to evict tenants who have not violated the terms of their lease.....	267
Table 70: Q34d. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Reducing property taxes for homeowners living on low or fixed incomes so that they can afford to stay in their homes	270
Table 71: Q34e. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Speeding up permitting and inspection processes for developers building housing for low-income households.....	273
Table 72: Q34f. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Changing zoning laws to make it easier to build more housing close to job and transportation hubs.....	276
Table 73: Q34g. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Increasing government investments in programs that prevent people from becoming homeless.....	279
Table 74: Q35. In the last year, have you experienced mental health strain such as anxiety, depression, loneliness, or stress?	282
Table 75: Q36. Have you discussed these concerns with any of the following people?.....	285
Table 76: Q37a. Here are some actions that some people say will improve mental health or healthcare in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health or healthcare. : Making it easier for people to receive mental health screenings and services at the same places where they get care for their physical health.....	288

TABLE OF CONTENTS

Table 77: Q37b. Here are some actions that some people say will improve mental health or healthcare in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health or healthcare. : Pairing mental health professionals with law enforcement to respond to mental health emergency calls	291
Table 78: Q37c. Here are some actions that some people say will improve mental health or healthcare in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health or healthcare. : Increasing government investments in programs outside of healthcare settings that seek to prevent mental health and substance use challenges	294
