For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Racial bias and discrimination.....30

Table 27: Q15p. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Gun violence31

Table 28: Q15q. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : The rising cost of living.....32

Table 29: Q16. How satisfied are you with the state government in Colorado and how well it works for people like you?33

Table 30: Q17a. Here are some potential challenges that could keep Coloradans like you from being heard in state government. For each one, please tell me whether you consider it to be a major challenge, a minor challenge, or not a challenge. : Political polarization and lack of compromise between political parties.....34

Table 31: Q17b. Here are some potential challenges that could keep Coloradans like you from being heard in state government. For each one, please tell me whether you consider it to be a major challenge, a minor challenge, or not a challenge. : Strong influence of lobbyists and corporate interests over policymakers' decisions.....35

Table 32: Q17c. Here are some potential challenges that could keep Coloradans like you from being heard in state government. For each one, please tell me whether you consider it to be a major challenge, a minor challenge, or not a challenge. : Limited understanding among state policymakers about the needs or concerns of Coloradans like you36

Table 33: Q17d. Here are some potential challenges that could keep Coloradans like you from being heard in state government. For each one, please tell me whether you consider it to be a major challenge, a minor challenge, or not a challenge. : Lack of information about how Coloradans like you can engage in state policymaking processes.....37

Table 34: Q18a. Here are some actions that some people say will improve how policy decisions are made in Colorado's state government. After I read each one, please tell me how effective you think it will be in making Colorado's state government more responsive to the interests of people like you. : Increasing state policymakers' access to nonpartisan information and analysis of issues affecting Colorado38

Table 35: Q18b. Here are some actions that some people say will improve how policy decisions are made in Colorado's state government. After I read each one, please tell me how effective you think it will be in making Colorado's state government more responsive to the interests of people like you. : Requiring that state policymakers regularly engage with and listen to Coloradans like you in a meaningful way39

Table 36: Q18c. Here are some actions that some people say will improve how policy decisions are made in Colorado's state government. After I read each one, please tell me how effective you think it will be in making Colorado's state government more responsive to the interests of people like you. : Making information about how the public can participate and comment on policy decisions more easily available.....40

Table 37: Q18d. Here are some actions that some people say will improve how policy decisions are made in Colorado's state government. After I read each one, please tell me how effective you think it will be in making Colorado's state government more responsive to the interests of people like you. : Requiring state policymakers to consider how their decisions will impact different groups of people within Colorado41

Table 38: Q18e. Here are some actions that some people say will improve how policy decisions are made in Colorado's state government. After I read each one, please tell me how effective you think it will be in making Colorado's state government more responsive to the interests of people like you. : Requiring state policymakers to consider the long-term financial impacts of their decisions42

Table 39: Q19a. Please tell me whether you - or someone you know - have been treated unfairly in any of the following situations here in Colorado as a result of their race or ethnicity. : When trying to rent or purchase a place to live.....43

Table 40: Q19b. Please tell me whether you - or someone you know - have been treated unfairly in any of the following situations here in Colorado as a result of their race or ethnicity. : When interacting with law enforcement.....44

Table 41: Q19c. Please tell me whether you - or someone you know - have been treated unfairly in any of the following situations here in Colorado as a result of their race or ethnicity. : When seeking employment.....45

Table 42: Q19d. Please tell me whether you - or someone you know - have been treated unfairly in any of the following situations here in Colorado as a result of their race or ethnicity. : When seeking healthcare services.....46

Table 43: Q19e. Please tell me whether you - or someone you know - have been treated unfairly in any of the following situations here in Colorado as a result of their race or ethnicity. : When interacting with government agencies or services47

Table 44: Q19 EVER TREATED UNFAIRLY48

Table 45: Q20. Which of the following best describes your financial situation?49

Table 46: Q21. Would you say you are better off, or worse off financially than you were a year ago, or is your financial situation about the same?50

Table 47: Q22. Thinking ahead over the next year, how worried are you that you might lose your home because you can't afford the monthly rent or mortgage?.....51

Table 48: Q23. Thinking ahead over the next year, how worried are you that you or someone else in your household will be without health insurance coverage?52

Table 49: Q24. Thinking ahead over the next year, how worried are you that you might not always be able to afford enough food to feed yourself and your family?.....53

Table 50: Q25. Do you plan to be employed over the next year?.....54

Table 51: Q26a. In the last 12 months, have you experienced any of the following? : Skipped meals because you couldn't afford food	55
Table 52: Q26b. In the last 12 months, have you experienced any of the following? : Postponed medical or dental care.....	56
Table 53: Q26c. In the last 12 months, have you experienced any of the following? : Postponed mental health care	57
Table 54: Q26 EVER POSTPONED CARE	58
Table 55: Q28a. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Increase the amount of tax credits available to individuals and families living on low incomes	59
Table 56: Q28b. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Raising taxes on people making over 500,000 dollars per year to cover services like housing, healthcare, and education.....	60
Table 57: Q28c. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Making government investments to stimulate the economy and create better-paying jobs in communities that are struggling	61
Table 58: Q28d. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Making it easier for low-income people to enroll in programs that can help them to afford the costs of household expenses like food and healthcare.....	62
Table 59: Q29. Do you own or rent your home?	63
Table 60: Q30. Who do you rent from?.....	64
Table 61: Q31. Do you aspire to own a home someday?.....	65
Table 62: Q32. Are you worried about whether your children will be able to afford to live in Colorado in the future?	66
Table 63: Q33a. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Work multiple jobs, or more than you wanted to.....	67
Table 64: Q33b. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Lived with a roommate or in a friend or family member's home when you would rather not have	68
Table 65: Q33c. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Moved because you couldn't afford your rent or mortgage	69
Table 66: Q33 EVER CUT COSTS.....	70
Table 67: Q34a. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Requiring developers to build housing for people with lower income levels	71
Table 68: Q34b. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Ensuring landlords cannot raise rents on current tenants too quickly	72
Table 69: Q34c. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Making it more difficult for landlords to evict tenants who have not violated the terms of their lease.....	73
Table 70: Q34d. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Reducing property taxes for homeowners living on low or fixed incomes so that they can afford to stay in their homes	74
Table 71: Q34e. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Speeding up permitting and inspection processes for developers building housing for low-income households	75
Table 72: Q34f. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Changing zoning laws to make it easier to build more housing close to job and transportation hubs.....	76
Table 73: Q34g. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Increasing government investments in programs that prevent people from becoming homeless	77
Table 74: Q35. In the last year, have you experienced mental health strain such as anxiety, depression, loneliness, or stress?	78
Table 75: Q36. Have you discussed these concerns with any of the following people?.....	79
Table 76: Q37a. Here are some actions that some people say will improve mental health or healthcare in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health or healthcare. : Making it easier for people to receive mental health screenings and services at the same places where they get care for their physical health.....	80
Table 77: Q37b. Here are some actions that some people say will improve mental health or healthcare in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health or healthcare. : Pairing mental health professionals with law enforcement to respond to mental health emergency calls	81

Table 78: Q37c. Here are some actions that some people say will improve mental health or healthcare in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health or healthcare. : Increasing government investments in programs outside of healthcare settings that seek to prevent mental health and substance use challenges82
