Table 12: Q15a. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Jobs and the economy.....44

Table 13: Q15b. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Climate change.....49

Table 14: Q15c. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Police violence and misconduct.....54

Table 15: Q15d. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : The cost of healthcare.....59

Table 16: Q15e. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Crime, in general.....64

Table 17: Q15f. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Restrictions on reproductive rights.....67

Table 18: Q15g. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Illegal immigration.....72

Table 19: Q15h. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Drug overdoses.....77

Table 20: Q15i. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Homelessness.....82

Table 21: Q15j. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : The cost of housing.....85

Table 22: Q15k. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Hunger.....88

Table 23: Q15l. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Wildfires or other natural disasters.....93

Table 24: Q15m. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Drug and alcohol use.....98

Table 25: Q15n. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Mental health.....103

Table 26: Q15o. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Racial bias and discrimination.....108

Table 27:	Q15p. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Gun violence.....	113
Table 28:	Q15q. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : The rising cost of living.....	116
Table 29:	Q16. How satisfied are you with the state government in Colorado and how well it works for people like you? .....	119
Table 30:	Q17a. Here are some potential challenges that could keep Coloradans like you from being heard in state government. For each one, please tell me whether you consider it to be a major challenge, a minor challenge, or not a challenge. : Political polarization and lack of compromise between political parties.....	124
Table 31:	Q17b. Here are some potential challenges that could keep Coloradans like you from being heard in state government. For each one, please tell me whether you consider it to be a major challenge, a minor challenge, or not a challenge. : Strong influence of lobbyists and corporate interests over policymakers' decisions.....	127
Table 32:	Q17c. Here are some potential challenges that could keep Coloradans like you from being heard in state government. For each one, please tell me whether you consider it to be a major challenge, a minor challenge, or not a challenge. : Limited understanding among state policymakers about the needs or concerns of Coloradans like you .....	130
Table 33:	Q17d. Here are some potential challenges that could keep Coloradans like you from being heard in state government. For each one, please tell me whether you consider it to be a major challenge, a minor challenge, or not a challenge. : Lack of information about how Coloradans like you can engage in state policymaking processes.....	133
Table 34:	Q18a. Here are some actions that some people say will improve how policy decisions are made in Colorado's state government. After I read each one, please tell me how effective you think it will be in making Colorado's state government more responsive to the interests of people like you. : Increasing state policymakers' access to nonpartisan information and analysis of issues affecting Colorado .....	136
Table 35:	Q18b. Here are some actions that some people say will improve how policy decisions are made in Colorado's state government. After I read each one, please tell me how effective you think it will be in making Colorado's state government more responsive to the interests of people like you. : Requiring that state policymakers regularly engage with and listen to Coloradans like you in a meaningful way .....	139
Table 36:	Q18c. Here are some actions that some people say will improve how policy decisions are made in Colorado's state government. After I read each one, please tell me how effective you think it will be in making Colorado's state government more responsive to the interests of people like you. : Making information about how the public can participate and comment on policy decisions more easily available.....	142
Table 37:	Q18d. Here are some actions that some people say will improve how policy decisions are made in Colorado's state government. After I read each one, please tell me how effective you think it will be in making Colorado's state government more responsive to the interests of people like you. : Requiring state policymakers to consider how their decisions will impact different groups of people within Colorado.....	146
Table 38:	Q18e. Here are some actions that some people say will improve how policy decisions are made in Colorado's state government. After I read each one, please tell me how effective you think it will be in making Colorado's state government more responsive to the interests of people like you. : Requiring state policymakers to consider the long-term financial impacts of their decisions .....	150
Table 39:	Q19a. Please tell me whether you - or someone you know - have been treated unfairly in any of the following situations here in Colorado as a result of their race or ethnicity. : When trying to rent or purchase a place to live.....	153
Table 40:	Q19b. Please tell me whether you - or someone you know - have been treated unfairly in any of the following situations here in Colorado as a result of their race or ethnicity. : When interacting with law enforcement.....	156
Table 41:	Q19c. Please tell me whether you - or someone you know - have been treated unfairly in any of the following situations here in Colorado as a result of their race or ethnicity. : When seeking employment.....	159
Table 42:	Q19d. Please tell me whether you - or someone you know - have been treated unfairly in any of the following situations here in Colorado as a result of their race or ethnicity. : When seeking healthcare services.....	162
Table 43:	Q19e. Please tell me whether you - or someone you know - have been treated unfairly in any of the following situations here in Colorado as a result of their race or ethnicity. : When interacting with government agencies or services .....	165
Table 44:	Q19 EVER TREATED UNFAIRLY .....	168
Table 45:	Q20. Which of the following best describes your financial situation? .....	170
Table 46:	Q21. Would you say you are better off, or worse off financially than you were a year ago, or is your financial situation about the same? .....	173
Table 47:	Q22. Thinking ahead over the next year, how worried are you that you might lose your home because you can't afford the monthly rent or mortgage?.....	178
Table 48:	Q23. Thinking ahead over the next year, how worried are you that you or someone else in your household will be without health insurance coverage? .....	183
Table 49:	Q24. Thinking ahead over the next year, how worried are you that you might not always be able to afford enough food to feed yourself and your family?.....	188
Table 50:	Q25. Do you plan to be employed over the next year?.....	193

Table 51: Q26a. In the last 12 months, have you experienced any of the following? : Skipped meals because you couldn't afford food .....	198
Table 52: Q26b. In the last 12 months, have you experienced any of the following? : Postponed medical or dental care.....	201
Table 53: Q26c. In the last 12 months, have you experienced any of the following? : Postponed mental health care .....	204
Table 54: Q26 EVER POSTPONED CARE .....	207
Table 55: Q28a. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Increase the amount of tax credits available to individuals and families living on low incomes .....	209
Table 56: Q28b. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Raising taxes on people making over 500,000 dollars per year to cover services like housing, healthcare, and education.....	212
Table 57: Q28c. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Making government investments to stimulate the economy and create better-paying jobs in communities that are struggling .....	215
Table 58: Q28d. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Making it easier for low-income people to enroll in programs that can help them to afford the costs of household expenses like food and healthcare.....	218
Table 59: Q29. Do you own or rent your home? .....	221
Table 60: Q30. Who do you rent from?.....	224
Table 61: Q31. Do you aspire to own a home someday?.....	227
Table 62: Q32. Are you worried about whether your children will be able to afford to live in Colorado in the future? .....	230
Table 63: Q33a. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Work multiple jobs, or more than you wanted to.....	233
Table 64: Q33b. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Lived with a roommate or in a friend or family member's home when you would rather not have .....	236
Table 65: Q33c. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Moved because you couldn't afford your rent or mortgage .....	238
Table 66: Q33 EVER CUT COSTS.....	241
Table 67: Q34a. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Requiring developers to build housing for people with lower income levels .....	243
Table 68: Q34b. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Ensuring landlords cannot raise rents on current tenants too quickly .....	246
Table 69: Q34c. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Making it more difficult for landlords to evict tenants who have not violated the terms of their lease.....	249
Table 70: Q34d. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Reducing property taxes for homeowners living on low or fixed incomes so that they can afford to stay in their homes .....	252
Table 71: Q34e. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Speeding up permitting and inspection processes for developers building housing for low-income households .....	255
Table 72: Q34f. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Changing zoning laws to make it easier to build more housing close to job and transportation hubs.....	258
Table 73: Q34g. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Increasing government investments in programs that prevent people from becoming homeless.....	261
Table 74: Q35. In the last year, have you experienced mental health strain such as anxiety, depression, loneliness, or stress? .....	264
Table 75: Q36. Have you discussed these concerns with any of the following people?.....	267
Table 76: Q37a. Here are some actions that some people say will improve mental health or healthcare in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health or healthcare. : Making it easier for people to receive mental health screenings and services at the same places where they get care for their physical health.....	270
Table 77: Q37b. Here are some actions that some people say will improve mental health or healthcare in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health or healthcare. : Pairing mental health professionals with law enforcement to respond to mental health emergency calls .....	273

Table 78: Q37c. Here are some actions that some people say will improve mental health or healthcare in Colorado. After I read each one, please tell me how effective you think it will be in improving mental health or healthcare. : Increasing government investments in programs outside of healthcare settings that seek to prevent mental health and substance use challenges .....276

Table 38: Q18e. Here are some actions that some people say will improve how policy decisions are made in Colorado's state government. After I read each one, please tell me how effective you think it will be in making Colorado's state government more responsive to the interests of people like you. : Requiring state policymakers to consider the long-term financial impacts of their decisions

Table 58: Q28d. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Making it easier for low-income people to enroll in programs that can help them to afford the costs of household expenses like food and healthcare

Table 73: Q34g. Here are some actions that some people say will address rising housing costs in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Increasing government investments in programs that prevent people from becoming homeless
