

## TABLE OF CONTENTS

Table 1: Q13. In a few words of your own, what is the most important issue facing Colorado right now? .....	3
Table 2: Q14b. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : The rising cost of living.....	12
Table 3: Q14c. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : Homelessness .....	17
Table 4: Q14i. I'd like to read you some problems facing Colorado that people have mentioned. For each one I read, please tell me whether you think it is an extremely serious problem, a very serious problem, somewhat serious problem, or not too serious a problem in Colorado. : The cost of housing.....	22
Table 5: Q17. Would you say you are better off, or worse off financially than you were a year ago, or is your financial situation about the same? .....	27
Table 6: Q18. When you think about the cost of living in Colorado, which specific expenses are most concerning for you and other members of your household? .....	32
Table 7: Q19. Thinking ahead over the next year, how worried are you that you might lose your home because you can't afford the monthly rent or mortgage?.....	41
Table 8: Q21. Thinking ahead over the next year, how worried are you that you might not always be able to afford enough food to feed yourself and your family? .....	46
Table 9: Q23a. In the last 12 months, have you experienced any of the following? : Skipped meals because you couldn't afford food .....	51
Table 10: Q25a. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Requiring employers to increase pay and benefits for low- and middle-income workers.....	54
Table 11: Q25b. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Making government investments to stimulate the economy and create better-paying jobs in communities that are struggling.....	58
Table 12: Q25c. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Changing government regulations to reduce the costs of household expenses like food, health care, and utilities.....	62
Table 13: Q25d. Here are some actions that some people say will address the rising cost of living in Colorado. After I read each one, please tell me how effective you think it will be in helping Coloradans make ends meet. : Raising taxes on people making over 500,000 dollars per year to cover services like housing, health care, and education.....	66
Table 14: Q26. Do you own or rent your home? .....	70
Table 15: Q27a. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Cut back on or go without other needs, like food or health care .....	73
Table 16: Q27b. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Work multiple jobs, or more than you wanted to.....	76
Table 17: Q27c. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Lived with a roommate or in a friend or family member's home when you would rather not have .....	79
Table 18: Q27d. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Stayed in housing that was not right for you because you felt like you could not afford a new place .....	82
Table 19: Q27e. In order to pay your rent or your mortgage in the last year, have you had to do any of the following? : Avoided asking your landlord to address problems because you were afraid of having your rent increased or being evicted .....	85
Table 20: Q28a. Here are some actions that some people say will make housing more affordable for people who live in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Reducing government regulations to speed up the building of new housing .....	88
Table 21: Q28b. Here are some actions that some people say will make housing more affordable for people who live in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Requiring developers to build housing for people with lower income levels.....	92
Table 22: Q28c. Here are some actions that some people say will make housing more affordable for people who live in Colorado. After I read each one, please tell me how effective you think it will be in making housing more affordable. : Ensuring landlords cannot raise rents on current tenants too quickly .....	96
Table 23: Q37. LIKELY NOVEMBER 2022 VOTERS .....	100
Table 24: Q38. In a few words of your own, which issues will be most important to you in deciding which candidates to vote for this November?.....	105
